**FLAT EYE
TYPE III**

**HT-EYE
TYPE IV**

Eye & Eye (EE)

A versatile sling for general use. Use in choker, basket or vertical hitches.

Available in Nylon or Polyester Webbing.

For Polyester add the letter "P" to the Part No. (Example—EE1-X61P)

Tapered eyes are standard on slings over 2" wide.

Half Twist eyes are recommended when using slings in a Choker Hitch.

For Half Twist Eyes Specify H.T. After The Part No.
