Endless (EN)

A versatile sling for general use. Unlimited ways of rigging—not limited by configuration of the sling.

Available in Nylon or Polyester Webbing.

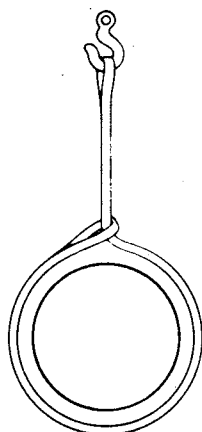

For Polyester add the letter "P" to the Part No. (Example—EN1-X61P)

SLING HITCHES

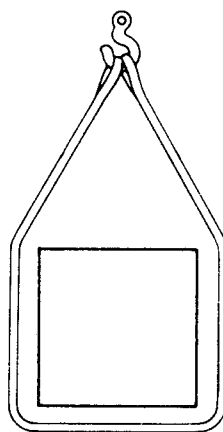

Slings carry their loads in any one of four different "Hitches" as illustrated. Most slings can be used with any of these hitches, but some are specifically designed for use in one hitch only.
