

# rope grip

Three simple steps and it's secure in seconds - a simple push fit saves you time and effort.

With no tools or torque tensioning required, the Grippler® Rope Grip will change the way you work with wire rope.

Serrated wedges inside the Grippler create a firm, reliable grip, while allowing retensioning after termination.

Available from stock in the following sizes:

MINI -  $\frac{3}{64}$ " -  $\frac{1}{16}$ "    MIDI -  $\frac{3}{32}$ " -  $\frac{1}{8}$ "    MAXI -  $\frac{9}{64}$ " -  $\frac{5}{32}$ "    MEGA -  $\frac{3}{16}$ " -  $\frac{7}{32}$ "  
 $\frac{1}{4}$ " Grippler available early June 1996
