

## TYPE V DELUXE WORK VESTS

#298RT

- \* Split back has an opening in the middle so a full body harness can be worn under the workvest.
- \* Heavy duty vinyl coated polyester cover.
- \* Repels welding sparks.
- \* Oil, grease, gasoline and most chemicals can easily be wiped off.
- \* Vests will not tear if punctured.
- \* Extra body straps under the arms for a secure fit.
- \* Universal size, 30-52" chest.

## WORKHORSE II: TYPE III INDUSTRIAL VEST

#320 & 320RT

- \* No straps hanging in front that could be a snag hazard.
- \* Zip up front with side adjustment straps.
- \* Open sides for easy movement.
- \* Shorter foam in back will not ride up when sitting down.
