**\*DO NOT EXCEED RATED CAPACITY**

NOTE: Do not use slings with aluminum fittings (CHA) in applications where acids, alkalis or other corrosives are present.

**CHS (ALLOY STEEL)**

**CHA (FORGED ALUMINUM)**

**Combination Basket/Choker End Fittings (CHS, CHA)**

Eyes are metal instead of fabric. Provides better choker hitch on wider fabrics. Fittings available in Alloy steel or Forged Aluminum.

For use in basket or choker hitches.

Available in Nylon or Polyester Webbing.

For Polyester Webbing add to letter "P" to the Part No. (Example—CHS1-X62P)

End Fitting specs. on page 13.
